

## Year 1 Tasks for week beginning 13th July

Dear Parents

We made it! This is our last set of home learning tasks and the last week in School in Yr1 for this class. It has been such a strange time but I have loved working with you all and thank you for all you have done to make my first year at KHCPS so enjoyable despite all the unusual circumstances. Let's keep going and then we can enjoy our well-deserved rest. (Always keep Reading!)

### English Skills

Reading - Please read daily. Remember if you are reading Bug Club books you need to complete the bugs to show you have read the book.

Phonics - Are you playing the games on Phonics Play? <https://new.phonicsplay.co.uk/>

Try the picnic on Pluto game

Make sure you are practicing those tricky words.

**English** - We are still on the beach! Our main text is the Light House Keepers lunch.
