

## Week Beginning 13<sup>th</sup> July 2020

Dear Parents, this will be the last official home learning set before the holidays. I will, however, set a range of activities on Purple Mash just in case and encourage you to continue reading with your child as much as possible. Thank you so much for all your hard work, patience, and support over the year - it has really helped me, as well as your children, especially during this strange time! I am really looking forward to seeing the children next week and hope I will get to see some of you too! I wish you all a lovely summer. As always please email [teachers@kelvedonhatch.essex.sch.uk](mailto:teachers@kelvedonhatch.essex.sch.uk) or ring the school office line if you have any queries.

With huge thanks,  
Mrs Fletcher

*We will be finishing the term by touching on the topic of Changes and Feelings.*
