

Year 6 Tasks for week beginning 13th July

Dear Parents, please use these ideas to support your child's learning while they are at home this week. Most of the task ideas are based on what the children would be doing in school at the moment. We appreciate this is not easy for you, so please do not let it cause you or your child stress if they find it too difficult. Please email teachers@kelvedonhatch.essex.sch.uk if you have any questions related to your child's learning and someone will get back to you.

To support these ideas, use websites such as primaryresources.co.uk to find resources.

English

Read daily. Simply read for the enjoyment of it.

Most of our week will consist of transition discussions and talking about their move to secondary school. Apart from that, here are some things you can do this week:

- Create a poster about your hopes, dreams, ambitions and identify some of the attributes, behaviours and skills they might need to achieve them
- Create a leavers video/VLOG of your last week as a primary student. This can be added to daily
- Think about every person in your class and create an awards ceremony for them e.g. Most likely to succeed; funniest; most caring; sportiest etc.
- Create a leavers poem
- Create a piece of artwork that includes things specific to you and your time at KHCPS

Maths

Look at days 1,2,3 and 4 on White Rose document Summer week 12. This can be found on our home learning section of their website.

Lesson 1 -Draw nets of 3D shapes

Lesson 2 - Circles

Lesson 3 - Read and interpret pie charts

Lesson 4 -The mean

There are tasks set on MyMaths to support that I can monitor how you're getting on. It is encouraged that you continue to work on these. Keep ticking over on TTRockstars.

Topic (This will cover History, Geography, Art/Technology and ICT over the coming weeks)

Pick an artist: *Georgia O'Keefe* (landscape/flowers - watercolour art), *Takashi Murakami* (Japanese art), *Georges Seurat* (French artist - landscapes/dot work), *Andy Warhol* (Pop art), *Albert Namatjira* (Australian artist).

Look at their artwork and produce some of your own. You can pick one or complete a selection! Most of all just have fun with it.

Note to everyone

It's been a difficult time but I feel like you've done a fantastic job. You've been resilient and powered through and this kind of attitude will help you in the next part of your journey. Thank you for being a wonderful class to work with in my final year at KHCP.

For all of you who are not in school at the moment: on Friday, please drop off a school shirt in the morning. I will ensure everyone in school signs it for you. You can then change into it for the leaving ceremony like everyone else. 😊

REMEMBER: The leaving ceremony is weather permitting. Fingers crossed it holds out!
